The game official will have discretion to warn teams and/or eject players.

We not only expect but insist that our participants hold themselves to a higher level. Have fun but be a good example to all.

Any of the above items, when reported to or noticed by tournament officials, will be the subject of a meeting of officials on the field and immediate scrutiny, which may result in a warning or ejection. A flagrant violation may include game ejection, tournament ejection or even park ejection; this is at the discretion of tournament officials after reviewing the scope and severity of actions being analyzed.

We take the safety of our tournament players, spectators, and everyone on property seriously, and we are determined to promote a respectful, safe, and family friendly environment.

It is the responsibility of the Team Manager to ensure that every member of his/her team has read and understands the Code of Conduct as outlined above. By signing below, the Team Manager agrees that he/she will ensure that all team members will adhere to the Code of Conduct as written above and accept decisions made by the Umpire and Tournament Director.

Remind your players that this tournament is called the "Big Fred Memorial Softball Tournament" for a reason. Every person on that field is there to pay respect and to honor the memory of a community Legend on this field. Let's all have a great tournament and make Big Fred and his family proud.
